Theme park fun

What to Expect: Originating in Jamaica, the Beaches chain of child-friendly resorts caters to families, couples, and singles by offering activities day and night and facilities designed for all ages, from toddlers to grandparents. The 20-acre resort features classic island architecture, blending fine woods and polished marble with the dramatic detailing of stone arches and hand-painted, domed frescoes.

Amenity Highlights: Graced by almond and palm trees shading hammocks and furnished with thatched shades and tent pavilions, a 427-meter (1,400-foot) beachfront provides sunbathing and fun-and-games space on sugar-fine, nearly white sand. Two pools, one measuring 929 square meters (10,000 square feet) and the other 232 square meters (2,500 square feet), offer freshwater alternatives to the sea. The Pirates Water Theme Park encompasses 1672 square meters (18,000 square feet) and features two water slides, a lazy river, and a splash deck.

Insider Tip: The resort's All-Inclusive plan includes roundtrip shuttle service mornings, afternoons, and evenings to a companion resort, Beaches Sandy Bay, one km (less than a mile) away, where guests enjoy access to all facilities, including restaurants.

Policies

All Sandals, Beaches, and Royal Plantation resorts are nonsmoking in any enclosed areas. Examples are bars, restaurants, lobbies, conference facilities, retail facilities, and nightclubs.

Smoking is permitted in all open areas and designated rooms. Extra-person charges apply.

Complimentary rollaway beds and cribs (infant beds) are available and should be requested at the time of booking.

Photo identification and credit card or cash deposit are required at check-in for incidental charges.

Special requests are subject to availability upon check-in. Special requests made via this Web site cannot be guaranteed and may incur additional charges.

A no-tipping policy applies at the resort only. A modest gratuity per piece of luggage is suggested for airport luggage handlers.

The resort has a 100 percent cancellation, no-show, and short-stay penalty. Because unforeseen circumstances arise, travel insurance is strongly recommended.

Guests also have access/privileges at Beaches Sandy Bay. However, parents must note that the supervised children's program/services will only be available at the resort where they are personally staying (they cannot drop kids off at a resort where they are not staying).

Hurricane Guarantee

In the unlikely event that hurricane force winds (as defined by the U.S. National Weather Service) directly hit the Sandals or Beaches resorts while you are a guest, interrupting the use of all the included activities, Sandals or Beaches Resorts will offer a free replacement vacation to be taken at any Sandals or Beaches Resort of your choice. This replacement stay will be for the same duration as the one originally booked, regardless of how many days were affected by the hurricane. The replacement stay will be in an equivalent room category to the one originally booked, exclusive of air and will be subject to certain blackout dates. This offer must be applied within one year from the date the hurricane directly hit the resort. This offer is subject to change and can be withdrawn without notice.

This offer supersedes all previously printed hurricane guarantee offers for Sandals. Blackout dates are defined as those deemed by Sandals Resorts to be not available for such stays.

Upon check-in, guests will be asked to tender a credit card to activate their room folio. All purchases (except those paid for with a credit card) at resort outlets will be signed to the room folio. Cash will not be accepted for incidental charges at any resort outlet.

If a credit card is unavailable, a cash deposit must be left at the front desk/concierge in order to activate the room folio. Travelers' checks will be treated like cash and therefore can only be used at the front desk.
