From the harbor, a catamaran makes 45-minute trips to uninhabited Catalina Island for beach/snorkeling excursions (fees charged). A complimentary children's/teens center offers computer games, Internet-connected computers, a large-screen television, pool tables, board games, CDs, karaoke, and outdoor volleyball. For fees, supervised children's activities are also available, with sessions for ages 1-3, 4-7, 8-12, and 13-17. Other facilities and services include the eco-friendly full service Cygalle Healing Spa, new gym/fitness center; and a business center offering cellular phone rentals and translation among other services.
