This 50-room luxury Jamaica hotel with Caribbean flavor is set on a private stretch of beach just a 15-minute drive from Montego Bay.

#### Multiple activities

Amenities include three à la carte restaurants and bars, non-motorized watersports, freshwater pool, and spa tub, plus a lighted tennis court and fitness facility.

#### Plantation-style rooms

Guestroom decor is plantation-style and rooms feature large ocean-view balconies or patios. Guests may choose from an All Inclusive Plan or European Plan (no meals).

**What to Expect:** "Coyaba," an Arawak word for a place of ease and rest, aptly captures the resort's appeal. A small lobby with mahogany accents, ceiling fans, and wicker chairs exemplifies its Colonial style. (Note: From December 23 through January 4, the resort does not accept children under 6 years of age.)

**Amenity Highlights:** Amenities at Coyaba Beach Resort & Club include a swimming pool and elevated 10-person spa tub. The palm-tree-lined sundeck is furnished with cushioned lounge chairs and bordered by a shaded hammock. Thatched shelters dot 150 meters (500 feet) of crescent beachfront, and two floating rafts are tethered in calm water; complimentary amenities include non-motorized watersports. A freshwater pool and spa tub are on site. One floodlit tennis court and a full fitness facility are also offered. The resort offers a gift shop, three à la carte restaurants, and three bars. Daily afternoon tea is served, and the classically trained executive chef offers New Caribbean cuisine and international favorites.

**Insider Tip:** The best spots for viewing sunsets are from several Adirondack chairs set toward the end of the resort's 150-foot wooden dock.
