

Curacao Marriott Beach Resort & Emerald Casino

Hotel Rating: Unrated ALSO AVAILABLE

Overview

Bay setting

Set on a white-sand crescent beach, this resort on Piscadera Bay is across from the Curaçao International Trade Center.

Guestroom comfort

The hotel boasts 247 guestrooms including 10 suites, each with high-speed internet as well as balconies or patios, many with ocean views.

Casino on site

The resort offers a beachfront pool with swim-up bar, swimming and snorkeling, and a 5,000-square-foot on-site casino.

What to Expect: Consisting of six oceanfront acres, the resort offers a tranquil ambience of sea views and gardens. A fountain pool at the entrance and a waterfall from an open-air lobby toward the beach heighten the prevailing hush. Adults dress in resortwear after dark, when lights illuminate the resort's many palm trees and a nightclub/lounge and the casino get busy.

Amenity Highlights: Washed by the turquoise sea, 300 yards of beach with thatched shades flank a rocky oceanfront section. A watersports center rents kayaks, personal watercraft, and small sailboats; snorkeling and diving trips are also offered. A central courtyard features a large freeform pool and children's pool. Two other courtyards contain cross-shaped, 20-person spa tubs in wooden pavilions that shade ranks of lounge chairs on surrounding decks.

Insider Tip: Unlike many resorts that close their pools at sunset, this resort's pools remain open to 11 PM, and spa tubs can be used around the clock.
