

Eden Rock

Hotel Rating: 5 Star

Overview

Cliff setting

Set on a rocky promontory that juts into St. Jean Bay, this small hotel resembles a French farmhouse in a turquoise setting.

Guestroom locations

Individually decorated guestrooms, including rooms, suites, cottages, and cabins, are perched on the rock or a nearby beach.

Art and leisure

Guests can dine in two restaurants, shop for art and attire in two stores, or simply relax on a pair of coral-sand beaches.

What to Expect: Eden Rock evolved from an imaginatively sited house built fifty years ago by Remy DeHaenen, a celebrated local adventurer. In 1995, the property was bought by an English couple, David & Jane Matthews, who intended, initially, to use it as a holiday home. However, a small bar was operating ... which was kept running ... one thing followed another ... and five years later Eden Rock Hotel was invited to join the prestigious Relais & Chateaux group of distinguished hotels.

Amenity Highlights: Art lovers can enjoy the full art exhibition program promoted by Eden Rock, as well as regular exhibitions of new work by young artists introduced to the resort by the New York Academy of Art. A resident artist also provides painting lessons for guests looking to find their inner Picasso.

Room Features

2 BRM Villa Nina Master Suite incorporating a vaulted stucco ceiling unique to the region and king-size bed, his & hers walk-in dressing rooms, in suite bathroom with double cascade showers and a plunge pool second bedroom on the first floor with king-size bed and bathroom with double cascade showers, plunge bath and also an external terrace - with lovely views by day and night. Satellite TV with DVD's player in each room, Plasma flat screens, I-pod station, wifi access, home cinema, Surround sound system in the entire villa and on the terraces. Own art gallery Private access to the St. Jean beach Spacious terraces with king-size & double loungers, 1 pool and a spa pool, fully-fitted valcune kitchen and bar, private laundry arrangements, if preferred.

Big Beach House a three-bedroom, 3,200 square foot house located on the beach with a private swimming pool, private spa pool, home cinema, three bathrooms and generous sun terraces up and down.

Garden Cottage Close to the sea, set back from the Eden Rock beach, these charming cottages have open terraces and a lovely Caribbean style.

Contemporary Beach Room These rooms are within the two newly constructed Plantation Houses on Eden Rocks' beach. The rooms have terraces with beach views and the ground floor suites have direct access onto the beach from the terraces and just across the lawns.

Diamond Suite The Howard Hughes Loft Suite (Eden Rock - St Barths signature suite) is located on the top of the rock and offers 360-degree views of the bay.

Heavenly Beach House One and two bedroom houses located on the beach with private terraces.

Premium Suite Greta Garbo Suite - A tribute to 1930's Hollywood glamour with undoubtedly the Caribbean's most dramatic bed, featuring an eight-foot tall hand stitched white leather headboard. The suite is located on the rock with spectacular views of the bay and a wrap-around terrace.

Classic Rock Suite These classic ocean-view suites are found around the rock and all are individually designed and decorated by Jane Matthews. The suites have ensuite bathrooms, private terraces and are decorated variously with fine fabrics, antique furniture and original paintings.
