

## St. Kitts Marriott Resort & The Royal Beach Casino

### Overview

#### Atlantic setting

Set on a surf-swept, four-mile stretch of sand ideal for long walks, the resort is located on the island's Atlantic side.

#### Mountain vistas

The 471 guestrooms feature premium bedding and furnished balconies with resort or mountain views.

#### On-site activities

This destination resort has a golf course, casino, health spa, fitness center, children's club, and three large pools.

**What to Expect:** This international destination resort offers attractions for families, couples, groups, and conventions. An atrium with massive wood beams soars four stories above marble floors and mosaic-tile inlays in the lobby and shopping arcade. Past granite waterfall walls, stairs lead past a scaled-down replica of Columbus' Santa Maria and to an enormous plaza lit by wrought iron street lamps. Insider tip: Accessible by rented bicycle, a 10-minute walk, or complimentary shuttle, a quintessential beach shack serves grilled foods and tropical drinks alongside the Caribbean Sea. The spot is one mile from the resort across a flat, narrow strip of land that connects the central section of St. Kitts with its rugged, hilly peninsula.

**Amenity Highlights:** Lodging buildings cluster around two large freeform pools, and a third freeform activity pool with swim-up bar is in the center of the resort. Each pool includes a shallow children's section and is paired with a round, 20-person spa tub. Though the Atlantic Ocean often is too rough for safe swimming, the ochre-colored, four-mile beach is long and deep and features 84 permanent blue and white gazebo-like shades.

## Property Amenities

Under a ceiling painted and lit to resemble an evening cloud-dappled sky and amid decor suggestive of a Mediterranean village complete with red-tiled roofs and wood-frame windows, the resort's 40,000-square-foot casino offers Caribbean stud poker, blackjack, roulette, craps, baccarat, and slot machines from late morning until very late at night. A 15,000-square-foot health-and-beauty spa decorated in cool pastels and natural woods has men's and women's saunas, steam rooms, hot and cold spa tubs, and relaxation lounges. Treatment rooms include a couples' suite with twin tables, a two-person jetted tub, and a large glassed-in shower. Hydrotherapy, massage, body treatments, and facials are offered, along with hair and nail care. Adjacent to the spa, an expansive, air-conditioned fitness center offers cardio and weight machines, free weights, and a wood-floor, mirror-walled workout area for complimentary classes such as Tae Bo, yoga, and East Meets West (stretching, breathing, resistance-training). Personal training and private yoga sessions are available for fees. Complimentary calisthenics are conducted on the beach each morning. An air-conditioned children's center (ages 4-12) offers supervised activities for half- and full-day fees. A 24-hour business center provides two computers with dial-up Internet access (fee charged). A variety of complimentary activities and competitions are offered daily in and around the main pool and on the beach. After dark on some evenings, bands provide concerts in an open-air theater.
