## The Westin St. John Resort & Villas

Hotel Rating: 4 Star 

### Overview

#### On calm-water bay

Set along narrow and calm Great Cruz Bay less than 2 miles from the Virgin Islands National Park Visitors Center, this family-friendly resort on St John features a 1,200-foot beach.

#### "Heavenly" slumber

Guestrooms and studio, one-, two-, and three-bedroom villas include The Westin's Heavenly Beds® and Heavenly Baths® with bathrobes. High-speed Internet connections are complimentary.

#### Water sports, health spa

Attractions include watersports, a health spa and fitness center, and hiking and snorkeling in Virgin Islands National Park. Also offering seamless check-in at the airport and transportation provided by a Private Westin Ferry.

**What to Expect:** The Westin St. John Resort and Villas is a 47-acre, campus-style resort with spacious lawns, forested hillsides, and tropical gardens, and views of turquoise Great Cruz Bay sheltered on both sides by more green hills. The resort attracts active families and celebrating couples.

**Amenity Highlights:** A 1,200-foot beach provides entry into calm Great Cruz Bay, where there are "iceberg" slides and trampoline rafts. The main pool complex adjoins the beach and includes two spa tubs. Isolated on a hillside in the villa section are two pools with decks for quiet relaxing. The resort supplies complimentary nonmotorized water-sports equipment. Snorkeling gear, motorized water sports, and scuba/snorkeling excursions are available for surcharges.

**Insider Tip:** Although the National Park Service's snorkeling trail at Trunk Bay attracts lots of visitors, experienced St. John snorkelers head to less populated spots such as Waterlemon Cay on the north shore. Reaching the site from a parking lot requires a mile hike on loose rocks, so shoes or hiking sandals are recommended.
